AGENDA ITEM # B2

**EMPLOYEE OF THE MONTH
DECEMBER, 2003
MARGY McMENNAMY**

Since Margy has been employed with Monroe County, she has definitely been a strong asset. We can see her work as the Sr. Grants Acquisition Administrator through grants she has researched and helped each applicant obtain. These grants include \$104,000 from Public Safety Foundation of America for emergency service to 9-1-1 callers using cell phones (Monroe County Emergency Communications). A grant from Florida Department of Health for \$122,895 for Emergency Services support (Monroe County Fire Rescue). A grant in the amount of \$575,328 from the US Department of Health and Human Services to be used for outpatient early intervention services with respect to HIV disease (Monroe County Public Health Department).

She has created and published the Grants Bulletin which informs persons of funding opportunities. This bulletin is now distributed to over 100 interested Monroe County Divisions, Community Organizations, Education Agencies, Medical Facilities and individuals. She has formed a Grants Team in order to have staff throughout the County trained to assist in bringing money to Monroe County.

She is working to establish a Federal Legislative program that will facilitate receipt of grant funding on the Federal level, has taught Grantsmanship training classes to several Monroe County groups and is the Manager of the "Art in Public Places".

She works with agencies such as Just 4 Kids, Florida Keys Council of the Arts, Rural Health Network, SHAL, Guidance Clinic of the Middle Keys, FKCC College Explorer Program, Monroe County Schools, along with many Departments within Monroe County. We are truly pleased to have Margy as a Monroe County Employee and are proud to be here today to recognize her efforts by presenting her with the Monroe County Employee of the Month Award.
